Monday, May 19, 2025 – Ice Nine Kills have announced the **ICE NINE KILLS: HELL OF A SUMMER TOUR**, a brand new US headline run kicking off this August. Produced by Live Nation, the tour will bring the band's twisted theatricality and cinematic carnage to arenas and amphitheaters across the country, closing out with a homecoming performance at Worcester's DCU Center as part of the band's annual **Silver Scream Con**.

The tour's lineup spans a cross-section of modern heavy music's most dynamic voices. From August 8 through August 31, Ice Nine Kills will be joined by Dayseeker, Kim Dracula, and The Funeral Portrait. Beginning September 2, pop-punk cult icons Mest will also join the bill, continuing through the final dates in Florida. The September 13 show at Silver Scream Con will feature Dayseeker, The Funeral Portrait, Mest, and a very special guest appearance by A Loss for Words, closing out the run in chaotic style.

The tour will make a Tempe stop at Mullett Arena on August 14, 2025.

Tickets will be available starting with an artist presale via **Ice Nine Kills 'Psychos Only'** app, beginning Monday, May 19 at 11 a.m. ET / 8 a.m. PT. Additional presales—including Citi, Live Nation, Spotify, Knotfest, and more—will run throughout the week. The general on sale begins Friday, May 23 at 10 a.m. local time at [IceNineKills.com/tour](https://www.ice-nine-kills.com/tour).
